

BEACH HOUSE

OXWICH

EXCLUSIVE USE BROCHURE

2023

Perched high on the sand, just a stone's throw from the water, Beach House feels as though it's been washed ashore and weathered over time. Soaking in all of its natural setting, the essence of Beach House is firmly rooted in the Gower, from the rugged stone walls, through to the food on the plate. Nothing is taken for granted, and everything is carefully considered.

The freshest local produce, whether reared, caught, picked or grown, is served through each season, as Beach House delivers a refined dining experience overlooking the iconic Oxwich Bay.
