## WINE OF THE MONTH

2016 Dona Blanc, Ulithorne Winery, McLaren Vale, Australia

Glass £10

Bottle £50

Gaining a cult status among top wine journalists for their elegant, fruit-driven and complex wines, Ulithorne Wines was established in 1969 and is located in the heart of the McLaren Vale. Their philosophy is to craft premium wines which reflect the singularity of their source. Their obsession with 'the source' acknowledges the concept of terroir and applies it with meticulous individual attention. Taking influence from the Rhône Valley, the winemaking focuses the very minutiae of terroir and the recognition of how the unique characteristics of this ancient land influence each vine and its fruit

The 2016 vintage in McLaren Vale was extraordinary. One of the rare vintages that offered up beautiful weather conditions, which allowed a gradual and positive flavour development in the grapes. Aromas and fruit flavours were at their peak at harvest and all the focus was on flavour ripeness; with good acidity and low baumé also being positive features. 2016 is one of the great vintages of the decade.

Fresh lemon curd is enveloped by a white peach perfume on the nose. Supported by a zesty lime acidity and a Nashi pear texture on the palate, this refreshing blend leads to a deliciously mouthwatering finish
